The Framework Contracts are also intended to support the CEB in delivering advisory services under the InvestEU Advisory Hub (InvestEU Advisory Hub (europa.eu)), subject to approval by the EC of its application to become an Advisory Partner.

The Frameworks Contracts may potentially represent a higher or lower number of activities, depending on the evolving needs of the Organisation. As a rule sub-contracting is allowed. Consortia of Economic Operators will be required to tender for all sectors in order to cover the full scope of activities.

On 12 July, CEB is organizing an information session about this tender opportunity to which interested parties can participate. During the information session, CEB officials will provide additional information about the envisaged services and scope, and participants will be able to ask questions orally and through the Q&A feature. All questions and answers will be subsequently published in CEB's website. Economic operators interested in taking part in the information session should request the link to a virtual meeting by email to procurement@coebank.org , indicating in the email the name of the organization, the name of the person/s that wish to participate as well as their email addresses. CEB will send the details of the information session to those individuals that so request by Friday 8 July. The information session will take place on 12 July 2022 at 10:00 am, Paris time and will last 90 minutes maximum. Any request to participate that arrives after 8 July will not be taken into account. The information session will be recorded. All participants will be requested to agree to the recording which will be managed by CEB for the purpose of organization of that tender opportunity. The data so collected will be kept by CEB until the framework contract is awarded and signed with the selected economic operator/s.
