Introduction

This Information Memorandum relates to a Medium Term Note Programme (“**Programme**”) established by the Council of Europe Development Bank (“**Issuer**”), under which medium term notes and other debt instruments (collectively referred to as “**Notes**”) may, from time to time, be issued up to the Programme Limit (as defined in the section entitled “Programme Summary” below). Subject to applicable laws, regulations and directives, the Issuer may issue Notes in Australia (“**Australian Domestic Notes**”), in New Zealand (“**New Zealand Domestic Notes**”) and in any other country outside Australia or New Zealand. This Information Memorandum summarises information regarding the issue of Notes in the wholesale debt capital markets of Australia and New Zealand. This Information Memorandum replaces the previous Information Memorandum dated 30 July 2010.

The Issuer is not a bank or authorised deposit-taking institution which is authorised under the Banking Act nor is it a registered bank under the RBNZ Act. The Notes are not obligations of the Australian Government or any other government and, in particular, are not guaranteed by the Commonwealth of Australia or by the Government of New Zealand.

Issuer’s responsibility

This Information Memorandum has been prepared by and issued with the authority of the Issuer.

The Issuer accepts responsibility for the information contained in this Information Memorandum other than information provided by the Arranger, the Dealers and each Registrar (each as defined in the section entitled “Programme Summary” below) in relation to their respective descriptions in the sections entitled “Programme Summary” and “Directory” below.

Place of issuance

Subject to applicable laws, regulations and directives, the Issuer may issue Notes under the Programme in any country, including Australia, New Zealand and countries in Europe and Asia, but not in the United States of America unless (a) such Notes are registered under the United States Securities Act of 1933, as amended from time to time (“**US Securities Act**”) or (b) an exemption from the registration requirements under the US Securities Act is available.

Terms and conditions of issue

Notes will be issued in series (each a “**Series**”). Each Series may comprise one or more tranches (each a “**Tranche**”) having one or more issue dates and on terms and conditions that are otherwise identical (other than, to the extent relevant, in respect of the issue price, amount and date of the first payment of interest).

Each issue of Notes will be made pursuant to such documentation as the Issuer may determine. A pricing supplement to this Information Memorandum (a “**Pricing Supplement**”) and/or another supplement to this Information Memorandum will be issued for each Tranche or Series of Notes. A Pricing Supplement will contain details of the initial aggregate principal amount, issue price, issue date, maturity date, details of interest (if any) payable together with any other terms and conditions not set out in this Information Memorandum that may be applicable to that Tranche or Series of Notes. The terms and conditions (“**Terms and Conditions**”) applicable to the Notes are included in this Information Memorandum and may be supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes.

The Issuer may also publish a supplement to this Information Memorandum (or additional Information Memoranda) which describes the issue of Notes (or particular classes of Notes) not otherwise described in this Information Memorandum. A Pricing Supplement or a supplement to this Information Memorandum may also supplement, amend, modify or replace any statement or information set out in this Information Memorandum, a Pricing Supplement and/or another supplement incorporated by reference into this Information Memorandum.

No independent verification

The only role of the Arranger, the Programme Manager, the Dealers and each Registrar (each as defined in the “Programme Summary” below) in the preparation of this Information Memorandum has been to confirm to the Issuer that their respective descriptions in the sections entitled “Programme Summary” and “Directory” below are accurate as at the Preparation Date (as defined under “Currency of Information” below). Apart from the foregoing, none of the Arranger, the Programme Manager, the Dealers and the Registrars has independently verified the information contained in this Information Memorandum. Accordingly, no representation, warranty or undertaking, express or implied, is made, and no

Intending purchasers to make independent investment decision and obtain tax advice

This Information Memorandum contains only summary information concerning the Notes. It is not a prospectus, product disclosure statement or other disclosure document for the purposes of the Corporations Act or the Financial Markets Conduct Act 2013 of New Zealand (“**NZ FMCA**”). Neither the information contained in this Information Memorandum nor any other information supplied in connection with the Programme or the issue of any Notes is intended to provide the basis of any credit or other evaluation and no such information should be considered or relied on as a recommendation or a statement of opinion (or a report of either of those things) by any of the Arranger, the Programme Manager, the Dealers and the Registrars that any recipient of this Information Memorandum or any other information supplied in connection with the Programme or the issue of any Notes should subscribe for, purchase or otherwise deal in any Notes or any rights in respect of any Notes.

Each investor contemplating subscribing for, purchasing or otherwise dealing in any Notes or any rights in respect of any Notes should:

- make and rely upon (and shall be taken to have made and relied upon) its own independent investigation of the financial condition and affairs of, and its own appraisal of the creditworthiness of, the Issuer;

No advice is given in respect of the legal or taxation treatment of investors or purchasers in connection with an investment in any Notes or rights in respect of them and each investor is advised to consult its own professional adviser.

No offer

This Information Memorandum does not, and is not intended to, constitute an offer or invitation by or on behalf of the Issuer, the Arranger, the Programme Manager, the Dealers and the Registrars to any person to subscribe for, purchase or otherwise deal in any Notes.

Selling restrictions and no disclosure

Neither this Information Memorandum nor any other disclosure document in relation to the Notes has been, or will be, lodged with the Australian Securities and Investment Commission (“**ASIC**”) or the New Zealand Companies Office. No action has been taken which would permit an offering of the Notes in circumstances that would require disclosure under Parts 6D.2 or 7.9 of the Corporations Act or under the NZ FMCA.

The distribution and use of this Information Memorandum, including any Pricing Supplement, advertisement or other offering material, and the offer or sale of Notes may be restricted by law in certain jurisdictions and intending purchasers and other investors should inform themselves about and observe any such restrictions. In particular, no action has been taken by any of the Issuer, the Arranger, the Dealers or any Registrars which would permit a public offering of any Notes or distribution of this Information Memorandum or any such document in any jurisdiction where action for that purpose is required.

For a description of certain restrictions on offers, sales and deliveries of the Notes, and on distribution of this Information Memorandum, any Pricing Supplement or other offering material relating to the Notes see the section entitled “Selling Restrictions” below.

A person may not (directly or indirectly) offer for subscription or purchase or issue an invitation to subscribe for or buy Notes, nor distribute or publish this Information Memorandum or any other offering material or advertisement relating to the Notes except if the offer or invitation, or distribution or publication, complies with all applicable laws, regulations and directives. In particular, the Notes may only be offered, issued, sold, transferred and/or delivered in, or into, the Commonwealth of Australia in compliance with Banking (Exemption) Order No. 82 dated 23 September 1996 promulgated by the Assistant Treasurer of Australia (“**Banking (Exemption) Order No. 82**”) as if it applied to the Issuer *mutatis mutandis* (and which, as at the date of this Information Memorandum, requires all offers and transfers of any parcels of Notes to be for a minimum consideration of at least A\$500,000).

No registration in the United States

The Notes have not been, and will not be, registered under the US Securities Act. Agency and distribution arrangements

The Issuer has agreed to pay fees to each Registrar for undertaking their respective roles and reimburse them for certain of their expenses incurred in connection with the Programme.

The Issuer may also pay a Dealer a fee in respect of the Notes subscribed by it, may agree to reimburse the Dealers for certain expenses incurred in connection with this Programme and may indemnify the Dealers against certain liabilities in connection with the offer and sale of Notes.

The Issuer, the Arranger, the Programme Manager, the Dealers and the Registrar, and their respective, related entities, directors, officers and employees may have pecuniary or other interests in the Notes and may also have interests pursuant to other arrangements and may receive fees, brokerage and commissions and may act as a principal in dealing in any Notes.

References to credit ratings

There are references in this Information Memorandum to credit ratings. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the relevant assigning organisation. Each credit rating should be evaluated independently of any other credit rating.

Credit ratings are for distribution only to a person (a) who is not a “retail client” within the meaning of section 761G of the Corporations Act and is also a sophisticated investor, professional investor or other investor in respect of whom disclosure is not required under Parts 6D.2 or 7.9 of the Corporations Act, and (b) who is otherwise permitted to receive credit ratings in accordance with applicable law in any jurisdiction in which the person may be located. Anyone who is not such a person is not entitled to receive this Information Memorandum and anyone who receives this Information Memorandum must not distribute it to any person who is not entitled to receive it.

Currencies

In this Information Memorandum, references to “**€**” and “**Euro**” are to the single currency introduced in the member states of the European Community which adopted such single currency at the start of the third stage of European Economic and Monetary Union pursuant to the Treaty establishing the European Community, as amended by the Treaty on European Union, references to “**A\$**” and “**Australian Dollars**” are to the lawful currency of the Commonwealth of Australia and references to “**NZ\$**” and “**New Zealand Dollars**” are to the lawful currency of New Zealand.

Currency of information

The information contained in this Information Memorandum has been prepared as of its Preparation Date. Neither the delivery of the Information Memorandum, nor any offer, issue or sale made in connection with this Information Memorandum at any time implies that the information contained in it is correct, that any other information supplied in connection with the Programme is correct or that there has not been any change (adverse or otherwise) in the financial conditions or affairs of the Issuer at any time subsequent to the Preparation Date. In particular, the Issuer is not under any obligation to any person to update this Information Memorandum at any time after an issue of Notes.

In this Information Memorandum, “**Preparation Date**” means:

- in relation to this Information Memorandum, the date indicated on its face or, if the Information Memorandum has been amended or supplemented, the date indicated on the face of that amendment or supplement;

- in relation to any other item of information which is to be read in conjunction with this Information Memorandum, the date indicated on its face as being its date of release or effectiveness.

Stabilisation

In connection with any issue of Notes, the Dealer (if any) designated as stabilising manager in the relevant Pricing Supplement may over-allot or effect transactions outside Australia or New Zealand and on a market operated outside Australia or New Zealand (as the case may be) which stabilise or maintain the market price of the Notes of the relevant Series at a level which might not otherwise prevail. Use of proceeds:

The net proceeds from each issue of Notes will be used to finance the normal

Description of Issuer

COUNCIL OF EUROPE DEVELOPMENT BANK

Establishment and Duration

The Issuer was established on 16 April 1956 by the adoption of its Articles of Agreement by the Committee of Ministers of the Council of Europe, the decision-making body of the Council of Europe.

The Issuer has its origins in a Partial Agreement originally entered into between eight Council of Europe member states. As at 1 November 2015, 41 European states¹ are Member States of the Issuer.

The operations, acts and contracts of the Issuer are governed by the Third Protocol dated 6 March 1959 to the General Agreement on Privileges and Immunities of the Council of Europe of 2 September 1949 (the "**Third Protocol**"), by the Articles of Agreement of the Issuer and regulations issued pursuant thereto.

The Issuer's administrative headquarters are located at 55, avenue Kléber, 75116 Paris, France.

The duration of the Issuer's activities is not limited.

Objectives and Activities

The Issuer is a multilateral development bank with a social vocation. It is a key financial instrument of the Council of Europe's solidarity policy in Europe. All of the Issuer's activities are focused on reinforcing social cohesion within Europe; they complement the activities of the other intergovernmental financial institutions.

The Issuer was founded with the objective of financing social programmes related to the resettlement of refugees migrating to and between European countries in the aftermath of the Second World War. Since its foundation, the Issuer has adapted to changes in social priorities in Europe and has extended the scope of its activities, which now comprise four sectors of action: (i) strengthening social integration, (ii) managing the environment, (iii) supporting public infrastructure with a social vocation and (iv) supporting micro-, small and medium-sized enterprises. More specifically, these sectors of action cover the following areas: (i) aid to refugees, migrants and displaced persons, social housing for low-income persons, improving living conditions in urban and rural areas; (ii) natural and ecological disasters, protection of the environment, protection and rehabilitation of the historic and cultural heritage; (iii) health, education and vocational training, administrative and judicial infrastructure; and (iv) creation and preservation of viable jobs.

In order to finance projects serving these purposes, the Issuer grants or guarantees long-term loans to its Member States or institutions approved by them. Furthermore, it manages several special accounts for receiving voluntary contributions from states, the Issuer, the Council of Europe, the European Union and other international organisations; these contributions are used, as the case may be, to subsidise loans and to make grants.

Like other multilateral financial institutions, the Issuer has adopted a policy of not rescheduling interest or principal payments on its loans or participating in debt rescheduling agreements.

Resources

The Issuer's subscribed capital and accumulated reserves constitute the basis for its operations since it does not receive any regular contributions from its Member States. It raises funds on the capital

¹ Albania, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Holy See, Hungary, Iceland, Ireland, Italy, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Republic of Moldova, Montenegro, Netherlands, Norway, Poland, Portugal, Romania, San Marino, Serbia, Slovak Republic, Slovenia, Spain, Sweden, Switzerland, "the former Yugoslav Republic of Macedonia" and Turkey.

- the Auditing Board, which has three members chosen from among the Member States on a rotating basis.

Legal Position of the Issuer

The Issuer is attached to the Council of Europe and administered under its supreme authority but is legally separate and financially autonomous from it. The Issuer is solely responsible for its own indebtedness. By virtue of the Third Protocol, the Issuer possesses its own juridical personality and, in particular, the capacity to enter into contracts, acquire and dispose of immovable and movable property, institute legal proceedings and carry out any transaction related to its statutory purposes.

In addition to the Third Protocol, the Articles of Agreement and regulations issued pursuant thereto, a national law may be applied to the operations, acts and contracts of the Issuer in a particular case, provided that the Issuer expressly agrees thereto and that such law does not derogate from the Third Protocol or from the Articles of Agreement.

Pursuant to the Third Protocol the Issuer is, notwithstanding certain exceptions, subject to the jurisdiction of the courts of its Member States and of those states where the Issuer has contracted or guaranteed loans.

Privileges and Immunities of the Issuer

Pursuant to the Third Protocol, the Issuer enjoys in its Member States, *inter alia*, the following privileges and immunities:

- (a) immunity of its property and assets from all forms of seizure, attachment or execution before the delivery against the Issuer of a final enforceable judgment rendered by a court of competent jurisdiction;

In accordance with the Articles of Agreement, members of the Issuer may include:

- (b) a European state which is not a member of the Council of Europe, upon authorisation by the Issuer's Governing Board; and
- (c) international institutions with a European focus, upon authorisation by the Issuer's Governing Board.

Membership is acquired by accepting the Articles of Agreement and subscribing to the participating certificates; such certificates are issued in denominations of Euro 1,000 each. Each Member State of the Issuer has one vote in the Governing Board and in the Administrative Council for each participating certificate held by it.

Member States of the Issuer are not liable to third parties for any of the Issuer's obligations.

Any Member State of the Issuer may withdraw from the Issuer by giving notice of six months prior to the end of the then current calendar year on conditions laid down by the Governing Board.

2 Form, denomination and title

Constitution under Third MTN Deed Poll

- 2.1 The Notes are debt obligations of the Issuer owing under the Third MTN Deed Poll and take the form of entries in the Register. Each entry in the Register constitutes a separate and individual acknowledgment to the relevant Noteholder of the indebtedness of the Issuer to the relevant Noteholder.

Independent obligations

- 2.2 The obligations of the Issuer in respect of each Note constitute separate and independent obligations which the Noteholder to whom those obligations are owed is entitled to enforce without having to join any other Noteholder or any predecessor in title of a Noteholder.

Noteholders are entitled to the benefit of, are bound by, and are deemed to have notice of all the provisions of the Third MTN Deed Poll.

Notes are issued in registered uncertificated form by entry in the Register.

Denomination, currency and issue restrictions

- 2.3 Notes are issued in the denomination and currency specified in the Pricing Supplement, but unless otherwise specified in the Pricing Supplement:

- (a) Australian Domestic Notes are issued in Australian Dollars, issued in the denomination of A\$1,000; and
- (b) New Zealand Domestic Notes are issued in New Zealand Dollars, issued in the denomination of NZ\$1,000.

- 2.4 Unless otherwise specified in the Pricing Supplement:

- (a) Australian Domestic Notes may only be offered (directly or indirectly) for issue, or have applications invited for the issue of Notes:

Register conclusive

- 2.5 Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the registered owner of the Note subject to rectification for fraud

or error.

No Note will be registered in the name of more than four persons. A Note registered in the name of more than one person is held by those persons as joint tenants. Notes will be registered by name only without reference to any trusteeship. The person registered in the Register as a Noteholder of a Note will be treated by the Issuer and the Registrar as absolute owner of that Note and neither the Issuer nor the Registrar is, except as ordered by a court of competent jurisdiction or as required by any applicable law or directive, obliged to take notice of any other claim to a Note.

Noteholder absolutely entitled

- 2.6 Upon a person acquiring title to any Note by virtue of becoming registered as the owner of that Note, all rights and entitlements arising by virtue of the Third MTN Deed Poll in respect of that Note vest absolutely in the registered owner of the Note, such that no person who has previously been registered as the owner of the Note has or is entitled to assert against the Issuer or the Registrar or the registered owner of the Note for the time being and from time to time any rights, benefits or entitlements in respect of the Note.

Location of Register

- 2.7 For Australian Domestic Notes, the Register will be established and maintained in Sydney unless otherwise agreed with the relevant Australian Registrar.

For New Zealand Domestic Notes, the Register will be established and maintained in Auckland unless otherwise agreed with the New Zealand Registrar.

No certificates

- 2.8 No certificate or other evidence of title will be issued by or on behalf of the Issuer to evidence title to a Note unless the Issuer determines that certificates should be made available or it is required to do so pursuant to any applicable law or directive.

Settlement Systems

- 2.9 If Notes are held in a Settlement System, the rights of a person holding an interest in the Notes lodged in the Settlement System are subject to the rules and regulations of the Settlement System.

3 Title and transfer

Title

3.1 Title to a Note passes when details of the transfer are entered in the Register.

Effect of entries in Register

3.2 Each entry in the Register in respect of a Note constitutes:

- (a) an irrevocable undertaking by the Issuer to the Noteholder to:
 - (i) pay principal, any interest and any other amounts in accordance with these Terms and Conditions; and
 - (ii) otherwise comply with these Terms and Conditions; and
- (b) an entitlement to the other benefits given to Noteholders under these Terms and Conditions in respect of the Notes.

Transfer

3.3 Noteholders may only transfer Notes in accordance with these Terms and Conditions.

Limits on transfers

3.4 Notes may only be transferred in whole and not in part.

3.5 Australian Domestic Notes, or interests in them, may only be transferred if the offer or invitation giving rise to the transfer is in compliance with the laws of the jurisdiction in which the transfer takes place and:

- (a) the aggregate consideration payable at the time of transfer is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding any moneys lent by the transferor or its associates to the subscriber);
- (b) the transfer otherwise constitutes an Excluded Issue and complies with the APRA Consent (to the extent applicable);
- (c) the transferee is not a “retail client” as that term is defined in section 761G of the Corporations Act; or
- (d) for transfers of Australian Domestic Notes, or interests in them, not subject to the Corporations Act, the consideration payable at the time of the transfer is for such minimum amount as specified in the relevant Pricing Supplement.

3.6 New Zealand Domestic Notes may only be transferred to wholesale investors within the meaning of clause 3(2)(a), (c) or (d) of Schedule 1 to the NZ FMCA, which includes a person who is an “investment business”, “large” or a “government agency”, in each case as defined in Schedule 1 to the NZ FMCA, provided (for the avoidance of doubt) that Notes may not be issued to any “eligible investor” (as defined in clause 41 of Schedule 1 to the NZ FMCA) or to any person who, under clause 3(2)(b) of Schedule 1 to the NZ FMCA, meets the investment activity criteria specified in clause 38 of that Schedule.

Transfer procedure

3.7 Interests in Notes held in a Settlement System are transferable only in accordance with the rules and regulations of the Settlement System.

Where Notes are not lodged in a Settlement System, application for the transfer of Notes must be made by the lodgement of a transfer form with the relevant Registrar at its Specified Office. Transfer forms must be in the form available from the Issuer or the relevant Registrar (or such other person as may be specified in a Pricing Supplement).

- 3.8 Each transfer form must be:
- (a) duly completed and stamped (if applicable);
 - (b) accompanied by such evidence (if any) as the Registrar may require to prove the title of the transferor or the transferor's right to transfer the Note; and
 - (c) signed by both the transferor and the transferee.

- 3.9 In particular, where the Depository is the Noteholder and the Note is lodged in the NZClear System, the Operator may, in its absolute discretion and to the extent not prohibited by the NZClear Regulations, instruct the New Zealand Registrar to transfer the Note to the person in whose Security Record that Note is recorded without any consent or action of such transferee and, as a consequence, remove that Note from the NZClear System.

Registration of transfer

- 3.10 The transferor of a Note is deemed to remain the holder of that Note until the name of the transferee is entered in the Register in respect of that Note and:
- (a) in respect of Australian Domestic Notes, transfers will not be registered later than 7 calendar days prior to the Maturity Date of those Australian Domestic Notes; and
 - (b) in respect of New Zealand Domestic Notes, transfers will not be registered later than 10 calendar days prior to the Maturity Date of those New Zealand Domestic Notes.

Transfers will not be registered during the period commencing on but excluding a Record Date and ending on and including the relevant Payment Date.

No charge on transfer

- 3.11 Transfers will be registered without charge provided taxes, duties or other governmental charges (if any) imposed in relation to the transfer have been paid by the transferor or transferee (as the case may be) of the relevant Note.

Estates

- 3.12 A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Noteholder or of a vesting order or a person administering the estate of a Noteholder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

Unincorporated associations

- 3.13 A transfer of a Note to an unincorporated association is not permitted.

Transfer of unidentified Notes

- 3.14 Where the transferor executes a transfer of less than all Notes of the relevant Tranche or Series registered in its name, and the specific Notes to be transferred are

not identified, the Registrar may register the transfer in respect of such of the Notes of the relevant Tranche or Series registered in the name of the transferor as the Registrar thinks fit, provided the aggregate principal amount of the Notes registered as having been transferred equals the aggregate principal amount of the Notes expressed to be transferred in the transfer.

4 Status

The Notes of each Series constitute direct and unsecured obligations of the Issuer ranking pari passu without any preference among themselves and equally with all other unsecured unsubordinated indebtedness for borrowed money of the Issuer represented by notes, bonds or other securities.

5 Interest

- 5.1 Notes may be interest-bearing or non interest-bearing, as specified in the relevant Pricing Supplement.

Interest-bearing Notes

- 5.2 Notes which are specified in the relevant Pricing Supplement as being interest-bearing bear interest from (and including) their Interest Commencement Date at the Interest Rate and such interest is payable in arrear on each Interest Payment Date.

Interest accrues from the Interest Commencement Date on the Outstanding Principal Amount. Interest will cease to accrue on the Maturity Date of a Note unless payment of any principal amount is improperly withheld or refused or if default is otherwise made in respect of payment thereof, in which case interest continues to accrue on such principal amount (as well after as before any demand or judgment) at the Interest Rate then applicable or such other rate as may be specified for this purpose in the relevant Pricing Supplement up to (but excluding) the date on which the relevant payment is made.

In the case of an Index-linked Interest Note ("**Index-linked Interest Note**") or a Dual Currency Note ("**Dual Currency Note**"), if the rate or amount of interest falls to be determined by reference to an index and/or a formula, the rate or amount of interest payable shall be determined in the manner specified in the Pricing Supplement.

Non-interest bearing Notes

- 5.3 If any Maturity Redemption Amount in respect of any Note which is non-interest bearing is not paid when due, interest shall accrue on the overdue amount at a rate per annum (expressed as a percentage per annum) equal to the Amortisation Yield as defined in, or determined in accordance with the provisions of, the relevant Pricing Supplement or at such other rate as may be specified for this purpose in the relevant Pricing Supplement.

Calculations and adjustments

- 5.4 The amount of interest payable in respect of any Note for any period of less than one year is calculated by multiplying the product of the Interest Rate and the Outstanding Principal Amount by the Day Count Fraction. However, if the relevant Pricing Supplement specifies an amount in respect of such period, the amount of interest payable in respect of such Note for such period is equal to such specified amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period is the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

If any Maximum Interest Rate or Minimum Interest Rate is specified in the relevant Pricing Supplement, then the Interest Rate will not in any event exceed the maximum

or be less than the minimum so specified. The Minimum Interest Rate shall not be less than zero and if no Minimum Interest Rate is specified in the relevant Pricing Supplement, the Minimum Interest Rate shall be zero.

For the purposes of any calculations referred to in these Terms and Conditions and unless otherwise specified in these Terms and Conditions or the relevant Pricing Supplement:

- (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest fourth decimal place (with 0.00005% being rounded to 0.0001%); and
- (b) all Australian Dollar or New Zealand Dollar (as applicable) amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up).

Calculation Agent

5.5 As soon as practicable after the relevant time on such date as these Terms and Conditions or the relevant Pricing Supplement may require, the Calculation Agent will, with respect to:

- (a) any Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or any other amount to be calculated; or
- (b) any quote to be obtained or any determination or calculation to be made by the Calculation Agent,

be required under its form of appointment to:

- (c) determine the Interest Rate in respect of each Series of the Notes for the relevant Interest Accrual Period, Interest Period or Interest Payment Date;
- (d) calculate the Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or other amount; or
- (e) obtain such quote or make such determination or calculation,

and cause the Interest Rate for each Interest Accrual Period, Interest Period or Interest Payment Date and, if required to be calculated, any Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or other amount, to be notified to the Registrar, the Issuer, the Noteholders (upon request by such Noteholders to the Calculation Agent only) and the Australian Securities Exchange (if the Australian Domestic Notes are listed on the Australian Securities Exchange) or NZDX market (if the New Zealand Domestic Notes are listed on the NZDX market) as soon as possible after their determination but in no event later than 5.00pm Sydney time (for Australian Domestic Notes) or 5.00pm Auckland time (for New Zealand Domestic Notes) on the Business Day on which such calculation is made.

The Calculation Agent must obtain relevant quotes from appropriate banks or reference agents or obtain information from such other sources as are specified in these Terms and Conditions or the Pricing Supplement or, failing which, as the Calculation Agent deems appropriate.

The calculations, determinations and notifications made by the Calculation Agent shall, in the absence of manifest error, be final and binding on the parties.

6 Redemption and purchase

Redemption on maturity

- 6.1 Unless previously redeemed, or purchased by the Issuer and cancelled as specified below, or unless such Note is stated in the relevant Pricing Supplement as having no fixed maturity date, each Note shall be redeemed by the Issuer on maturity at its Maturity Redemption Amount.

Purchase of Notes

- 6.2 The Issuer and any of its related entities may at any time purchase Notes in the open market or otherwise and at any price. Such Notes may, at the option of the Issuer, be held, resold or cancelled by notice to the Registrar, subject to compliance with all legal and regulatory requirements. Purchases may be made by tender offers or in any other manner at the discretion of the purchasers, in each case, subject to compliance with any applicable, law, directive or requirement of any stock or securities exchange or other relevant authority on which the Notes are listed. Any Notes which have been cancelled in accordance with this Condition 6.2 may not be resold.

Early Redemption at the Option of the Issuer (Call)

- 6.3 If Call Option is specified in the applicable Pricing Supplement as being applicable, the Issuer may, having (unless otherwise specified in the applicable Pricing Supplement) given not more than 60 nor less than 30 days' notice to the relevant Lead Manager(s) and, in accordance with Condition 11 ("Notices"), the Noteholders of the relevant Series (which notice is irrevocable), redeem all or some only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date.

In the event of a redemption of some only of the Notes, such redemption must be of an amount being not less than the Minimum Redemption Amount and not greater than the Higher Redemption Amount, as indicated in the applicable Pricing Supplement. In the case of a partial redemption of Notes, the Notes to be repaid will be selected in accordance with the rules of the relevant Settlement System.

Early Redemption at the Option of the Noteholders (Put)

- 6.4 If Put Option is specified in the applicable Pricing Supplement as being applicable, upon any Noteholder giving to the Issuer in accordance with Condition 11 ("Notices") not more than 60 nor less than 30 days' notice or such other period if so specified in the applicable Pricing Supplement (which notice is irrevocable) the Issuer will, upon the expiry of such notice, redeem (subject to, and in accordance with, the terms specified in the applicable Pricing Supplement) in whole (but not in part) such Note on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date.

7 Events of Default

Events of Default

- 7.1 The following events or circumstances (each an "**Event of Default**") shall be acceleration events in relation to the Notes of any Series, namely:
- (a) default is made in the payment in full of any principal or interest due on the Notes or any of them on the due date and such default continues for a period

of thirty days; or

- (b) the Issuer fails to perform or observe any of its other obligations under any of the Notes and such failure continues for the period of ninety days next following the service by the relevant Noteholder on the Issuer of notice requiring the same to be remedied; or
- (c) the Issuer shall become insolvent or be liquidated under Article XV Section 3 of its Articles of Agreement or otherwise cease to exist.

7.2 If any Event of Default shall occur in relation to any Series of Notes, any Noteholder of the relevant Series may, by written notice to the Issuer, declare that such Note and (if the Note is interest-bearing) all interest then accrued on such Note shall be forthwith due and payable, whereupon the same will become immediately due and payable at its Early Termination Amount together with all interest (if any) accrued thereon unless, prior thereto, all Events of Default in respect of the Notes of the relevant Series shall have been cured.

Notice requirements

7.3 Any notice declaring Notes due must be given in accordance with the requirements of Condition 11 ("Notices") and must be accompanied by proof that such Noteholder is, at that time, the holder of the relevant Notes.

8 Payments

Record Date

8.1 Payments to Noteholders will be made according to the particulars recorded in the Register on the relevant Record Date.

Joint holders

8.2 When a Note is held jointly, payment will be made to the Noteholders in their joint names unless requested otherwise.

Payments to accounts

8.3 Payments in respect of each Note will be made by crediting on the relevant Interest Payment Date, in the case of payments of interest, or on the due date for redemption or repayment, in the case of payments of principal, the amount then due to an account previously notified by the registered owner of the Note to the Registrar.

If the relevant Noteholder has not notified the Issuer and the Registrar of such an account by close of business on the relevant Record Date or upon application by the relevant Noteholder to the Issuer and the Registrar no later than close of business on the relevant Record Date, payments in respect of the relevant Note will be made by cheque, mailed on the relevant Payment Date in the case of payments of interest or on the due date for redemption or repayment, in the case of payments of principal, at the relevant Noteholder's risk to the Noteholder (or to the first named of joint Noteholders) at the address appearing in the Register at the Record Date.

Cheques to be despatched to the nominated address of a Noteholder will in such cases be deemed to have been received by the Noteholder on the relevant Payment Date in the case of payments of interest or on the due date for redemption or repayment, in the case of payments of principal, and no further amount will be payable by the Issuer in respect of the relevant Note as a result of payment not being received by the Noteholder on the due date.

Payments subject to law

- 8.4 All payments in respect of the Notes are subject to:
- (a) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the taxation provisions in the Information Memorandum; and
 - (b) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the taxation provisions in the Information Memorandum) any law implementing an intergovernmental approach thereto.

If a payment in respect of any Note is prohibited by law from being made in Australia or New Zealand (as the case may be), such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

Payments to the Registrar

- 8.5 Unless otherwise agreed between the Issuer and the relevant Australian Registrar, the Issuer must pay any amounts due under each Australian Domestic Note to a bank account in Sydney in the name of the Issuer and operated by the Registrar.

Any amounts due under each New Zealand Domestic Note must be paid in accordance with the New Zealand Registry Services Agreement.

Payment constitutes release

- 8.6 Any payment (including a payment made in accordance with Condition 8.5 (“Payments to the Registrar”)) made by or on behalf of the Issuer to the Registrar or such other paying agent, for the account of a person whose name is, at the time such payment is made, inscribed in the Register as the Noteholder, constitutes for all purposes an absolute and unconditional release and discharge of the Issuer, to the extent of such payment, of all obligations and indebtedness in respect of the Note in relation to which the payment was made.

Payments on Business Days

- 8.7 If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the Applicable Business Day Convention. The Noteholder is not entitled to any additional payment in respect of such delay.

Taxation

- 8.8 Payments in respect of the Notes will be made without gross-up for any present or future taxes, duties, assessments or governmental charges whatsoever, or for or on account of FATCA.

9 Further issues

The Issuer may from time to time but always in accordance with the Transaction Documents, without the consent of any Noteholder, issue further Tranches having the same Terms and Conditions as the Notes of any Series in all respects (or in all respects except for the first payment of interest, if any, on them and/or their denomination) so as to form a single Series with the Notes of that Series.

10 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless such claim is made within 5 years of the due date or, if later, the date on which the payment is fully provided for by the Issuer making payment to the Registrar in accordance with Condition 8.5 ("Payments to the Registrar").

Any moneys paid by the Issuer to the Registrar for payment of principal or interest in respect of the Notes and remaining unclaimed when the obligation to make such payment becomes extinguished shall forthwith be repaid to the Issuer without undue delay and all liability with respect thereto shall thereafter cease.

11 Notices

- 11.1 A notice or other communication in connection with a Note to the Issuer or the Registrar must be in writing and may be given by prepaid post or delivery to the address of the addressee or by facsimile to the facsimile number of the addressee as agreed between those parties from time to time or as specified in the Information Memorandum.

- 13.6 An amendment which affects only a particular Series or Tranche of Notes may be approved solely by the Noteholders of such Series or Tranche.

14 Registrar

Role of the Registrar

- 14.1 In acting under the Registry Services Agreement in connection with the Notes, the Registrar acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any Noteholder except that any funds received by the Registrar shall, pending their application in accordance with the Registry Services Agreement, be held by it in a segregated account which shall be held on trust for the persons entitled to them.

Change of Registrar

- 14.2 The Issuer reserves the right at any time to terminate the appointment of the Registrar in accordance with the Registry Services Agreement and to appoint a successor registrar or additional registrars, provided, however, that the Issuer must at all times maintain the appointment of a registrar with its Specified Office in Australia (in the case of Australian Domestic Notes) or New Zealand (in the case of New Zealand Domestic Notes). Notice of any termination of appointment of the Registrar, appointment of a successor registrar, appointment of an additional registrar or any change of the Specified Office of the Registrar will be given to the Noteholders in accordance with Condition 11 (“Notices”).

[The following alternative language applies if the first tranche of an issue which is being increased was issued under an Information Memorandum or Deed Poll with an earlier date.]

[This Pricing Supplement (as referred to in the Information Memorandum dated 21 December 2015 (“**Current Information Memorandum**”) in relation to the above Programme) relates to the Tranche of Notes referred to above. The Notes will be issued under the Third MTN Deed Poll dated 21 December 2015 (amending and restating the Second MTN Deed Poll dated 30 July 2010) (“**Deed Poll**”). That is, for the avoidance of doubt, the Notes will be issued on the terms of this Pricing Supplement read together with the Terms and Conditions set out in the Information Memorandum dated [28 June 2007 or 30 July 2010] (attached hereto as Annex 1) and forming part of the Deed Poll (attached hereto as Annex 2). However, potential investors should still refer to the Current Information Memorandum which updates and replaces the Information Memorandum dated [28 June 2007 or 30 July 2010] in all other respects.]

Unless otherwise indicated, terms defined in the Terms and Conditions (as set out in the Information

Memorandum) have the same meaning in this Pricing Supplement.

This Pricing Supplement does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make that offer or solicitation. No action is being taken to permit an offering of the Notes or the distribution of this Pricing Supplement in any jurisdiction where such action is required.

Notes that are offered by the Issuer for issue or sale, or transferred in, or into, Australia are offered only in circumstances that would not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act 2001 of Australia ("**Corporations Act**") and are issued and transferred in compliance with the terms of Banking (Exemption) Order No. 82 promulgated under the Banking Act 1959 of Australia ("**Banking Act**") as if it applied to the Issuer by virtue of the consent dated 5 April 2004 granted to the Issuer by the Australian Prudential Regulation Authority under section 66(1)(d) of the Banking Act. Such Notes are issued or transferred in, or into, Australia in parcels of not less than A\$500,000 in aggregate principal amount (or its equivalent in another currency, in either case, disregarding any moneys lent by the offeror or its associates to the subscriber or purchaser).

The Issuer is neither a bank nor a deposit-taking institution authorised under the Banking Act nor a registered bank under the Reserve Bank of New Zealand Act 1989 ("**RBNZ Act**"). Selling Restrictions

*Under the Dealer Agreement dated 21 December 2015 between the Issuer, the Arranger and the Dealers (as amended and supplemented from time to time, “**Dealer Agreement**”) and subject to the Terms and Conditions contained in this Information Memorandum, the Notes will be offered by the Issuer through the Dealers. The Issuer has the sole right to accept any offer to purchase Notes and may reject that offer in whole or (subject to the terms of the offer) in part. Each Dealer has the right to reject any offer to purchase Notes made to it in whole or (subject to the terms of such offer) in part. The Issuer is entitled under the Dealer Agreement to appoint one or more financial institutions as a Dealer for a particular Tranche of Notes or the Programme generally. At the time of any appointment, such financial institution will be required to represent and agree to the selling restrictions applicable at that time.*

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree to comply with any applicable law, regulation or directive in any jurisdiction in which it subscribes for, offers, sells or transfers Notes and that it will not, directly or indirectly, subscribe for, offer, sell or transfer Notes or distribute any Information Memorandum or other offering material in relation to the Notes in any jurisdiction, except in accordance with these selling restrictions, any additional restrictions which are set out in the relevant Pricing Supplement and any applicable law, regulation or directive applicable in that jurisdiction.

None of the Issuer, the Arranger or any Dealer has represented that any Notes may at any time lawfully be offered or sold in compliance with any applicable registration or other requirements in any jurisdiction, or in accordance with any available exemption, or assumes any responsibility for facilitating that offer or sale.

The following selling restrictions apply.

1 General

No action has been taken in any jurisdiction that would permit a public offering of the Notes or possession or distribution of the Information Memorandum or any other offering material in any country or jurisdiction where action for that purpose is required.

Persons into whose hands this Information Memorandum comes are required by the Issuer and Dealers to comply with all applicable laws, regulations and directives in each country or jurisdiction in which they purchase, offer, sell, resell, reoffer or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation, consent, approval or permission required by them for the purchase, offer, sale, reoffer, resale or delivery by them of any Notes under any applicable law, regulation or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales, reoffers, resales or deliveries, in all cases at their own expense, and neither the Issuer nor the Arranger or any Dealer has responsibility for such matters.

In accordance with the above, any Notes purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any further prospectus or corresponding document relating to the Notes in such jurisdiction.

In particular, there are restrictions on the distribution of this Information Memorandum and the offer or sale of Notes in Australia, New Zealand, the United States of America, Hong Kong, Singapore, Japan and the United Kingdom, as set out below.

In these Selling Restrictions, “directive” includes a treaty, official directive, request, regulation, guideline or policy (whether or not having the force of law) with which responsible participants in the relevant market generally comply.

2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or any Notes has been, or will be, lodged with the Australian Securities and Investments Commission (“ASIC”). Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that unless the relevant Pricing Supplement (or another supplement to any Information Memorandum) otherwise provides, it:

- (a) has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, any Information Memorandum or any other offering material or advertisement relating to the Notes in Australia,

unless:

- (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternate currency and, in either case, disregarding moneys lent by the offeror or its associates);
- (ii) the offer or invitation does not require disclosure to investors in accordance with Parts 6D.2 or 7.9 of the Corporations Act;
- (iii) the offer or invitation does not constitute an offer to a “retail client” within the meaning of section 761G of the Corporations Act;
- (iv) such action complies with:
 - (A) the directive issued by the Assistant Treasurer of the Commonwealth of Australia dated 23 September 1996 contained in Banking (Exemption) Order No. 82 as if it applied to the Issuer by virtue of the consent dated 5 April 2004 granted to the Issuer by the APRA under section 66(1)(d) of the Banking Act (and which, as at the date of this Information Memorandum, requires all offers and transfers to be for a consideration of at least A\$500,000); and
 - (B) all applicable laws, regulations and directives in Australia; and
- (v) such action does not require any document to be lodged with ASIC or any other regulatory authority in Australia.

3 New Zealand

This Programme is a wholesale programme. No action has been taken to permit the Notes to be offered or sold to any retail investor, or otherwise under any regulated offer, in terms of the NZ FMCA. In particular, no product disclosure statement under the NZ FMCA has been prepared or lodged in New Zealand in relation to the Notes.

Each Dealer has represented and agreed that it has not offered or sold, and will not offer or sell, any Notes in New Zealand, other than to wholesale investors within the meaning of clause 3(2)(a), (c) or (d) of Schedule 1 of the NZ FMCA, which includes a person who is an “investment business”, “large”, or a “government agency”, in each case as defined in Schedule 1 to the NZ FMCA, provided (for the avoidance of doubt) that Notes may not be issued to any “eligible investor” (as defined in clause 41 of Schedule 1 to the NZ FMCA) or to any person who, under clause 3(2)(b) of Schedule 1 to the NZ FMCA, meets the investment activity criteria specified in clause 38 of that Schedule.

In addition, each Noteholder is deemed to represent and agree that it will not distribute this Information Memorandum, any Pricing Supplement or any other advertisement (as defined in the NZ FMCA) in relation to any offer of the Notes in New Zealand other than to such persons as referred to above.

4 The United States of America

Regulation S; Category 1

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended ("**US Securities Act**").

Terms used in the following four paragraphs have the meanings given to them by Regulation S under the US Securities Act ("**Regulation S**").

The Notes may not be offered, sold, delivered or transferred within the United States of America, its territories or possessions or to, or for the account or benefit of, US persons except in accordance with Regulation S or in transactions exempt from the registration requirements of the US Securities Act.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver the Notes of any Tranche:

- (a) as part of their distribution at any time; and
- (b) otherwise until 40 days after completion of the distribution of the Notes of such Tranche, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the Lead Manager (as defined in the Dealer Agreement),

within the United States of America or to, or for the account or benefit of, US persons.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not engage in any directed selling efforts with respect to the Notes of any Tranche, and it will send to each dealer to which it sells Notes during the restricted period a confirmation or other notice setting forth the restrictions on offers, sales and deliveries of the Notes within the United States of America or to, or for the account or benefit of, US persons.

In addition, until 40 days after the commencement of the offering of the Notes of any Tranche, an offer or sale of Notes within the United States of America by any dealer (whether or not participating in the offering) may violate the registration requirements of the US Securities Act if such offer or sale is made otherwise than in accordance with an applicable exemption from registration under the US Securities Act.

5 Hong Kong

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) the Notes have not been authorised by the Hong Kong Securities and Futures Commission;
- (b) it has not offered or sold and will not offer or sell in Hong Kong, by means of any document, any Notes other than:
 - (i) to "professional investors" as defined in the Securities and Futures Ordinance (Cap. 571) (as amended) of Hong Kong ("**SFO**") and any rules made under the SFO; or

- (ii) in other circumstances which do not result in the document being a "prospectus" as defined in the Companies Ordinance (Cap. 32) (as amended) of Hong Kong or which do not constitute an offer to the public within the meaning of that Ordinance; and
- (c) unless it is a person permitted to do so under the applicable securities laws of Hong Kong, it has not issued, or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue (in each case whether in Hong Kong or elsewhere) any advertisement, invitation or other offering material or other document relating to the Notes, which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to "professional investors" within the meaning of the SFO and any rules made under the SFO.

6 Singapore

This Information Memorandum has not been and will not be registered as a prospectus with the Monetary Authority of Singapore under Chapter 289 of the Securities and Futures Act of Singapore, as amended ("**SFA**").

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that, unless an applicable Pricing Supplement (or another supplement to this Information Memorandum) otherwise provides, the Information Memorandum and any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Notes has not been and will not be circulated or distributed by it and that the Notes have not been, and will not be, offered or sold by it, or be subject to an invitation for subscription or purchase by it, whether directly or indirectly, to persons in Singapore other than:

- (a) to an institutional investor under section 274 of the SFA;
- (b) to a relevant person pursuant to section 275(1) of the SFA or any other person pursuant to section 275(1A) of the SFA, and in accordance with the conditions specified in section 275 of the SFA; or
- (c) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

Where the Notes are subscribed or purchased under section 275 of the SFA by a relevant person which is:

- (1) a corporation (which is not an accredited investor (as defined in section 4A of the SFA)) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (2) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary of the trust is an individual who is an accredited investor,

that securities (as defined in section 239(1) of the SFA) of that corporation or the beneficiaries' rights and interest (howsoever described) in that trust shall not be transferred within six months after that corporation or that trust has acquired the Notes pursuant to an offer made under section 275 of the SFA except:

- (i) to an institutional investor (under section 274 of the SFA) or to a relevant person (as defined in section 275(2) of the SFA), or to any person arising from an offer referred to in section 275(1A) or section 276(4) of the SFA, and in accordance with the conditions specified in section 275 of the SFA;

- (ii) (in the case of a corporation) where the transfer arises from an offer referred to in section 276(3)(i)(B) of the SFA or (in the case of a trust) where the transfer arises from an offer referred to in section 276(4)(i)(B) of the SFA;
- (iii) where no consideration is, or will be, given for the transfer;
- (iv) where the transfer is by operation of law;
- (v) as specified in section 276(7) of the SFA; or
- (vi) as specified in Regulation 32 of the Securities and Futures (Offers of Investments) (Shares and Debentures) Regulations 2005 of Singapore.

7 Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended, "**Financial Instruments and Exchange Act**"), and accordingly each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold and will not offer or sell, any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act (Act No. 228 of 1949, as amended)) or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and any other applicable laws, regulations and ministerial guidelines of Japan.

8 United Kingdom

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has complied and will comply with all applicable provisions of the Financial Services and Markets Act 2000 ("**FSMA**") with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom;
- (b) in relation to Notes with a maturity of less than one year:
 - (i) it is a person whose ordinary activities involve acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business; and
 - (ii) it has not offered or sold, and will not offer or sell, any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of section 19 of the FSMA by the Issuer; and
- (c) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer.

9 EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income in the form of interest payments ("**EU Savings Directive**"), each EU Member State ("**Member State**") is

required to provide to the tax authorities of another Member State details of certain payments of interest or other similar income paid by a person within its jurisdiction to, or for the benefit of, an individual resident or certain limited types of entity established in that other Member State.

For a transitional period, Austria is required (unless during that period it elects otherwise) to operate a withholding system in relation to such payments (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld). The end of the transitional period is dependent on the conclusion of certain other agreements relating to the exchange of information with certain other countries.

On 10 November 2015, the Council of the European Union adopted a Council Directive repealing the EU Savings Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments before those dates). This is to prevent overlap between the EU Savings Directive and a new automatic exchange of information regime to be implemented under Council Directive 2011/16/EU on Administrative Cooperation in the field of taxation (as amended by Council Directive 2014/107/EU). The new regime under Council Directive 2011/16/EU (as amended) is in accordance with the Global Standard released by the Organisation for Economic Co-operation and Development in July 2014. Council Directive 2011/16/EU (as amended) is generally broader in scope than the EU Savings Directive, although it does not impose withholding taxes.

Noteholders who are individuals should note that no additional amounts would be payable by the Issuer, pursuant to Condition 8.8 ("Taxation") of the Terms and Conditions of the Notes, in respect of any withholding tax imposed as a result thereof.

10 Variation

These Selling Restrictions may be amended, varied, replaced or otherwise updated from time to time in accordance with the Dealer Agreement. Any change will be set out in the Pricing Supplement issued in respect of the Notes to which it relates (or in another supplement to this Information Memorandum).

Australian Taxation

The following is a summary of certain Australian withholding tax matters at the date of this Information Memorandum in relation to payments on Notes to be issued by the Issuer under the Programme and certain other matters. This summary is not intended to be, nor should it be construed as, legal or tax advice to any particular holder of Notes. It is a general guide and should be treated with appropriate caution. Prospective holders of Notes who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

1. Interest withholding tax

So long as the Issuer continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax (“**Australian IWT**”).

2. Other tax matters

Under Australian laws as presently in effect:

- (a) *death duties* - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death; and
- (b) *stamp duty and other taxes* - no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Notes; and
- (c) *other withholding taxes on payments in respect of Notes* - so long as the Issuer continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Australian Income Tax Assessment Act 1936 of Australia (“**Australian Tax Act**”) and section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia (“**Taxation Administration Act**”) should not apply in connection with Notes issued by the Issuer; and
- (d) *supply withholding tax* - payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed under section 12-190 of Schedule 1 to the Taxation Administration Act; and
- (e) *goods and services tax (GST)* - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a supply which is outside the scope of the GST law. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia.

New Zealand Taxation

The following is a summary of the Issuer's understanding of the New Zealand withholding tax treatment at the date of this Information Memorandum of payments of principal and interest on Notes. It does not address all New Zealand tax issues (including income tax issues) which may be relevant to holders of Notes. Prospective holders of a Note (including prospective holders of a beneficial interest in a Note) should seek independent advice on the New Zealand tax implications applicable to them.

To the extent that a beneficial interest in a Note is held by a New Zealand resident, payments of principal and/or interest by the Issuer should not be subject to New Zealand resident withholding tax, provided that:

- (a) the Issuer (and any other related entity through which the payments of principal and/or interest are made) continues to be a non-New Zealand resident, and does not carry on a taxable activity in New Zealand through a fixed establishment in New Zealand; and
- (b) if the New Zealand Registrar (or any other third party) receives principal and/or interest payments on behalf of or as agent of the holder of that beneficial interest, the holder has provided the New Zealand Registrar (or the other third party) with a copy of a valid certificate of exemption from New Zealand resident withholding tax prior to the payment being made, and that certificate of exemption remains valid at the time the payment is made.

To the extent that a beneficial interest in a Note is held by a non-New Zealand resident, payments of principal and/or interest on that Note by the Issuer should not be subject to New Zealand withholding tax.

Important Definitions: For the purposes of these New Zealand withholding tax considerations a “**New Zealand resident**” is a person who is resident in New Zealand for New Zealand income tax purposes or carrying on business in New Zealand through a fixed establishment in New Zealand, and a “**non-New Zealand resident**” is a person who is neither resident in New Zealand for New Zealand income tax purposes nor carrying on business in New Zealand through a fixed establishment in New Zealand.

Taxation – FATCA

The Foreign Account Tax Compliance Act provisions of the U.S. Hiring Incentives to Restore Employment Act of 2010 (“**FATCA**”) establish a new due diligence, reporting and withholding regime. FATCA aims to detect U.S. taxpayers who use accounts with “foreign financial institutions” (“**FFIs**”) to conceal income and assets from the U.S. Internal Revenue Service (“**IRS**”).

Pursuant to FATCA, a 30 per cent. withholding may be imposed (i) in respect of certain payments of U.S. source income, (ii) from 1 January 2019 in respect of gross proceeds from the sale or disposition of property that produce interest or dividends which are U.S. source income and (iii) from 1 January 2019, at the earliest, in respect of “foreign passthru payments” (a term which is not yet defined under FATCA), which are, in each case, paid to or in respect of entities that fail to meet certain certification or reporting requirements.

Certain FFIs that are not treated as exempt under FATCA may be required to withhold U.S. tax at a rate of 30 per cent. on all, or a portion of, payments made from 1 January 2019 on debt issued or materially modified (within the meaning of U.S. federal tax rules) on or after the date that is six months after the date on which final regulations defining the term “foreign passthru payment” are filed with the U.S. Federal Register, or equity, whenever issued.

Pursuant to the intergovernmental agreement (“**IGA**”) executed between France and the United States on 14 November 2013, the Issuer believes it should be treated as an Exempt Beneficial Owner and a Non-Reporting French Financial Institution for FATCA purposes. Accordingly, the Issuer does not expect to withhold FATCA tax from any payment it will make on the Notes. However, if FATCA were to apply to the Notes, Noteholders would not be entitled to receive additional amounts or otherwise be compensated by the Issuer with respect to taxes withheld pursuant to FATCA.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and the US-France IGA, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Notes.
